*“Ferrer Ferran preaches happiness by listening to music, making happy interpreting those sounds from the heart, he also tells us about “magic”, and says we need to dream and rise, he mentions that music is so marvelous that there is no description to define it, he speaks about sensations..., better..., about good feelings...”*

*He invites us to “dream” with his music, making us close the eyes to immerse in a journey of wonderful sensations..., let us join the dream and allow ourselves go...*

*And all this, Ferrer Ferran always recalls the sayings of his admired Master, Jef Penders, who taught him to love and respect the music to compose it from the heart.*

*Ferran is true to his thought by reason of “he happily organize those musical notes dropped into sheet music”, being his major interest “to dream and make the world happy with his music”.*

In this catalogue, updated in 2017, it is found the whole material composed by Ferrer Ferran for Wind Orchestra, works of aesthetic varieties and difficulties to be performed in the concerts by Orchestras all across the globe.

Either of these works can be purchased from Ferrer Ferran’s personal website, [www.ferrerferran.com](http://www.ferrerferran.com) or requesting information by e-mail to the Office of Protocol, MUSICAES, [ferrercomposer@gmail.com](mailto:ferrercomposer@gmail.com), being his major publishing houses Hal Leonard and Impromptu Editores.

The Protocol Office MUSICAES wishes the greatest successes to be achieved by the Orchestras rendering the music by Ferrer Ferran.

*“Ferrer Ferran predica felicidad al escuchar música, hacer feliz interpretando aquellos sonidos que salen del corazón, nos habla de “magia”, y nos dice que debemos soñar y elevarnos, menciona que la música es tan maravillosa que no existe descripción alguna para definirla, habla de sensaciones..., mejor..., de buenas sensaciones...”*

*Él nos invita a “soñar” con su música, nos hace cerrar los ojos para adentrarnos en un viaje de emociones maravillosas..., subamos a este sueño y dejémonos llevar....*

*Ferrer Ferran siempre recuerda las palabras de su admirado Maestro, Jef Penders. El que le enseñó a amar y respetar la música para componer con el corazón.*

*Ferran es fiel a este pensamiento porque “felizmente ordena esas notas dejadas caer en un papel pautado”, siendo su mayor interés ‘soñar y hacer feliz al mundo con su música’”.*

En este catálogo, actualizado en 2017, se encuentra toda la música que Ferrer Ferran ha escrito para orquesta de vientos, composiciones de todas las estéticas y dificultades, encontrándonos con una variedad que hará que las orquestas de todo el mundo puedan interpretar en sus conciertos.

Puedes adquirir cualquier de estas obras desde la web personal de Ferrer Ferran, [www.ferrerferran.com](http://www.ferrerferran.com) o escribiendo, o solicitando información al e-mail de su oficina de protocolo, MUSICAES, [ferrercomposer@gmail.com](mailto:ferrercomposer@gmail.com), siendo sus distribuidores principales Hal Leonard e Impromptu Editores.

El equipo de protocolo MUSICAES desea que las orquestas obtengan los mayores éxitos interpretando la música de Ferrer Ferran.
